Yes, Obama is following Linsanity

Posted by:

[CNN White House Producer Alexander Mooney](#)

<http://whitehouse.blogs.cnn.com/2012/02/15/yes-obama-is-following-linsanity/>

The president is an avid sports fan and a particularly avid basketball fan. We were speaking about Jeremy Lin on Marine One as we flew here to Andrews Air Force Base this morning. If anybody caught the highlights from last night, they were pretty breathtaking. It's just a great story and the president was saying as much this morning. Obviously it's terrific for the New York Knicks, but it's the kind of sports story that transcends the sport itself.
