Write an essay response to ONE of the following questions. Your essay should include at least 5 paragraphs: an introduction, three supporting paragraphs and a conclusion. You should offer three supporting reasons for the opinion you present. The introductory paragraph should include one or two sentences of background and a thesis statement, and should mention your 3 supporting reasons. Each supporting reason should be developed in 1 supporting paragraph, which should include details and examples.

You can receive extra points if you write a sixth paragraph that offers a rebuttal to a supporting reason that is AGAINST your thesis. If you include a rebuttal, place it in a separate paragraph before the conclusion. You still need to include three supporting reasons for your thesis.

- 1) When people move to another country, some of them decide to follow the customs of the new country. Others prefer to keep their own customs. Which one do you prefer? Support your answer with specific details.
- 2) Schools always ask students to evaluate their teachers. Do you agree or disagree? Use specific reasons and examples to support your answer.
- 3) Films/literatures can tell us a lot about the country where they were made. What have you learned about a country from watching movies/ reading literature? Use specific examples and details to support your response.
- 4) Holidays honor culture, people or events. If you could create a new holiday, what culture, person or event would it honor and how would you want people to celebrate it? Use specific reasons and details to support your answer.
