

國立雲林科技大學

100 學年度碩士班暨碩士在職專班招生考試試題

系所：應外系

科目：英語教學概論

**Discuss the following statements—To be an English teacher, what does each of the statement mean to you? What are your interpretations toward the statements combined? (20% each)**

1. Learning is more important than teaching.
2. Teach the students, not the book.
3. Involve students in the learning process.
4. Interesting communicative tasks increase motivation
5. Students need to learn how to learn.

**Note: Please note that your discussions should be theoretically based. You may want to elaborate your answers based on empirical studies as well.**
