English and American Literature

Part I. Short-Answer Questions (70%: 14 points for each question)

Simply use a short paragraph to answer the following questions.

1. Why is Geoffrey Chaucer an important poet in the Middle age?
2. How many languages were there that co-existed in the realm of Anglo-Norman England? Please write down the importance of each language and where were they being used?
3. Please write down two questions that you have in mind from your readings of English and American Literature.
4. During this period of preparing for this exam, what is the most interesting theme or idea you have learned from reading so many literary works?
5. If you successfully receive admission from Huafan University, what would be one of the topics or genres that you would like to pursue for future study? Provide explicit reasons.

Part II. Essay Questions (30%)

Name two writers and their works that you find most fascinating (and/or difficult.) Explain why you had enjoyed reading their works. In your discussion, slightly elaborate their literary importance.
